**Justice Stephen G. Breyer** (left, photo by Steve Petteway) has served with distinction on the U.S. Supreme Court since 1994. He is portrayed (other side) by artist John A. Sargent III in a pose inspired by **Babe Ruth** (above, from a classic *Sporting News* trading card), who served with distinction on the Boston Red Sox from 1914 to 1919. We leave it to the reader to determine why **Justice Ruth Bader Ginsburg** is featured on our other “2020 Babe Ruth Special” card. Copyright 2020 The Green Bag, Inc.
