

A NOD TO THE JUDGE

The *Green Bag* was amused (and, we admit, pleased) to learn that Judge Leslie Southwick of the United States Court of Appeals for the Fifth Circuit had been immortalized in spring-loaded ceramic. The Judge Southwick bobblehead doll features several intriguing details:

Ex Ante

The book: _____

The mug: _____

The saber: _____

The shoes: _____

Make what you can of them, scribble your answers in the spaces provided here (and in the margins if you need more room), and then compare your explanations with ours (see page 246). We confess to having had some access to insiders on this matter.
