

### THE BEST AND THE BOBBLIEST

Pillars of the law who have not yet found their way onto the Supreme Court do seem to be finding their way into bobblehead form. *See, e.g., A Nod to the Judge*, 12 GREEN BAG 2D 131 (2009) (Judge Leslie Southwick). Alas, they generally do not come with helpful annotations. We welcome suggestions about what stands for what on the Bryan A. Garner doll. (There is a high-resolution version of his picture on our website, [www.greenbag.org](http://www.greenbag.org).)
