

AN AMBULANT INVITATION

Last year we offered subscribers a Sherlock Holmes map — *Some Sort of Map or Chart of the Adventure of the Musgrave Ritual* (Single Sheet Classic #5). See *Beyond Extravagance*, 20 Green Bag 2d 122 (2017). They responded in numbers sufficient to consume our supply, which we took to be a good sign. So, we're trying the same stunt again. If you subscribe to the *Green Bag* and want a copy of *The Adventure of the Ambulant Doctor* (Single Sheet Classic #7), tell us via email and we will snailmail one to you, if we still have any to spare. (Being inventory-averse, we again didn't make many, so don't procrastinate.) If you don't want one, do nothing, and nothing will happen.
