MORE GOOD GREEN BAG NEIGHBORLINESS

To the *Bag* (and Professor John Q. Barrett):

I hope that you're both doing well and that you've settled into stride with the new academic year. I thought you might appreciate the email below, which I received this morning from Robert Homlar [with the image above].

From: Law Office of Robert T Homlar

Subject: Fwd: Your Green Bag.....
Not the first time. :-)³

³ Editors' note: See John Q. Barrett, *The Good Green Bag Neighbor*, 26 Green Bag 2d 267 (2023).

To the Bag

It seems that the heat similarly affected the shrink wrap of at least a couple other *Green Bag* subscribers this July causing Robert to receive Prof. Sonja West's copy. Robert also mailed Prof. West her copy. Given the *Bag's* readership, it might be expected that the unintended recipient of a second *Bag* would re-mail the extra copy to the intended addressee. I'm glad to be a part of such a community!

Best,
John Paul DeWitt
